DEDICATION

A man very dedicated to his profession, Mr. Knute H. Andersson spent eight years as Director of Athletics and Coach at Bourne High School. He was born in Sweden and, as a boy, came to the United States, where he attended schools at Jamestown, New York. Among the many schools at which he taught or coached are: the University of Connecticut, the Hyannis Normal School, Arms Academy in Shelburne Falls, Bridgewater State College, Bridgewater High School, as well as schools in Wichita, Kansas, and Montpelier, Vermont.

The passing of Mr. Knute Andersson has left a deep mark in the hearts of those who worked with him and with whom he generously shared his knowledge.

PRINCIPAL'S MESSAGE

It has been so well said that an education opens the door to new and more wonderful vistas. It is most essential that the appearing vision provide the factual, inspire the cultural, the moral and the spiritual. This is precisely the aim of the four high school years. To believe in education is hardly enough, but to believe in education and youth is to believe in the inevitable greatness and leadership of our country to the end that great discoveries will continue, great crises and dilemmas will be resolved, the problem of leisure solved, and other necessary adaptations to endure successfully accomplished. It is our sincere hope, then, that Bourne High School has contributed to these ends.

Efficiency Behind The Orderly Confusion

Mr. Alex Consoni

Miss Mohre

SECRETARIAL STAFF

An integral part of the school scene is the efficient secretarial staff, consisting of Mrs. Dvorski, assigned to the main office; Mrs. Gelson, who works in the guidance office; and Mrs. Holland and Miss Mohre, who work in the business office.

BUSINESS STAFF

Behind the curtains of orderly confusion, the functioning of Bourne High is guided by the business office. Mr. Alex Consoni, the Business Manager of the Bourne School District, has many responsibilities, including adequately stocking the cafeteria, making sure our busses are properly conditioned, and supplying the school with the best equipment available.

Mrs. Holland

GUIDANCE

This year was busier than ever for the guidance department at Bourne High. Mr. John Gray and Mr. Louis Ciolkowski had their hands full with the entering of new students and the departure of old ones. As a result of the counselors' tedious work, many seniors will be happier at college next year and the underclassmen will have less trouble in their plans for the future.

ENGLISH

The English department, capably headed by Mrs. Kiniry, with the skillful help of Miss Rice, Miss Anderson, Miss Re, Mrs. Ching, and Mr. Stinson, attempts to teach students English grammar, usage, diction, composition, and the appreciation of fine literature. In addition, Miss Anderson, who teaches journalism, teaches her students the fundamentals of writing news articles for the "Bourne High Dispatch."

French, Latin, And German

Mr. Kenneth Lagerstedt

LANGUAGES

The Bourne Language Department currently gives instruction in three languages — French, Latin, and German. In addition, students may join language clubs under the supervision of the Department's faculty members. With the language laboratory and supplementary readers, the Language Department, under the guidance of Mr. Kenneth Lagerstedt, makes foreign tongues come alive to Bourne students.

MATHEMATICS

Under the able direction of Mr. Raymond Fitzgerald, the Bourne Mathematics Department offers students a complete curriculum of mathematics courses from general and business math to calculus. These courses enable a student to handle both the basic math used in everyday life and the complex math of science and technology.

SCIENCE

Our science department, directed by Mr. Allen, offers a variety of courses to the student. Science courses at Bourne are based upon experimentation, as the odors and sounds emanating from our well-equipped laboratories attest. These courses not only instruct students in a particular area of science, but also encourage free and logical thinking.

Back Row: Mr. Putnam, Mr. Caulter, Mr. Thibault, Mr. Sturgis.
Front Row: Mr. Mancevicz, Mr. Allen, Mr. Kochnowicz.

SOCIAL STUDIES

Bourne's social studies department offers courses in history, geography, economics, and government. Through their study of these subjects, students learn to appreciate the social problems of today's world through studies of the causes and effects of past events, of the influence of physical geography, and of the intricate methods devised to assure order and prosperity.

BUSINESS

The business department of Bourne High, under the excellent supervision of Mrs. Williams, familiarizes the student with every aspect of the business world. Courses available include typing, bookkeeping, shorthand, notehond, and filing. Modern equipment and excellent instruction give students the experience and preparation for future careers in business. Students may go on to secretarial schools, junior colleges, or directly out into the business world.

HOME ECONOMICS

Domestic-minded students in the Home Economics classes are learning about the culinary arts and sewing from their dedicated instructor, Mrs. Jack Turner. These girls are gaining practical knowledge about menu planning, cooking, serving, nutrition study, and sewing. This course will be useful to them the rest of their lives, whether or not they choose a career in this field.

INDUSTRIAL ARTS

The industrial arts department of Bourne High is under the excellent supervision of Mr. Roberge. The department includes the metal shop, under Mr. Dunn, the wood shop, supervised by Mr. Roberge, and mechanical drawing taught by Mr. Watson. Through the various courses offered, the student is familiarized with the industrial world in general. The department prepares students for further education in trade schools or apprentice positions.

PHYSICAL EDUCATION

Under the direction of Mr. Knute Andersson, director of physical education in the Bourne school district, Mr. Bachand and Mrs. Sullivan teach the boys and girls the fundamental principals of gymnastics. Volleyball, basketball, and softball have had new competitors this year with the addition of badminton, and ping-pong. Much to the delight of both boys and girls, co-ed classes were introduced this year.

Mr. Bachand makes men out of boys.

Art, Reading, Library

Mrs. Powell

Mr. Lyon

The art department of Bourne High, headed by Mr. Lyon, provides an artistic learning experience for the talented and interested. Students are familiarized with the various aspects of art—including sketching, painting, etching, drawing, and impressions.

Mrs. Moyhew

The reading program, under the excellent supervision of Mr. Raymond Matthews, is open to students who need or wish to improve their present reading ability. After a series of diagnostic tests, students are placed, according to ability, in highly specialized groups. A wealth of materials on all levels is available to the student, including tape recorders, audio booths, college material, and rateometers.

Mrs. Ellis

The Kempton J. Coady Library, under the administration of Mrs. Bertha Mayhew, supplies information and pleasure to Bourne students daily. Whether a student is seeking background for a term paper or a recent best-seller, the library can usually fill his need. This year the library has added hundreds of new books to its collection.

Mrs. Ellis is the competent and dedicated instructor of Bourne's special classes.

MUSIC

Mr. Robert Frazier, director of the Shawme Band, chorus, and the newly formed orchestra, is the supervisor of music in the Bourne School System. With the success of 1964, Mr. Frazier has continued his instrumental and vocal lessons at a more extensive level. These lessons have helped greatly to further the musical knowledge and techniques of the band and chorus members. These organizations have become an essential part of Bourne High at school as well as at local and out-of-town performances.

DRIVER EDUCATION

"The brake . . . not the gas!" These words are all too familiar to the students in the little car under the direction of Mr. Delaney. This year Mr. Delaney introduced three-day-a-week classroom work instead of the former five days.

Non-Teaching Staff

It's consoling to know there's a capable nurse handy at Bourne High to help stop a bloody nose, cure a headache, give first-aid, or spot the flu symptoms. Mrs. Frances Zlogar has helped many of us in our weaker moments.

The cafeteria is always a favorite spot at Bourne. Students are indebted to the cafeteria staff who try so hard to please them with their well-balanced, nutritional hot lunches. If anybody goes hungry, it's not their fault! Chocolate cake, anyone?

The custodians are as proud of Bourne High as the students and teachers. They keep it immaculate and still find time for doing a hundred other odd jobs. Spilled your lunch? Locker jammed? Need extra chairs? Leak in the faucet? See the custodians!

ALMA MATER

ALMA MATER

From elm trees tall, soft shadows fall
And speak to us of Bourne High.
Loud voices raise in songs of praise
For our dear old Bourne High.
Remember all the friendships made
And memories that ne'er will fade.
Through your ideals we'll reach our goal;
Bourne High, dear Bourne High.
And when from your loved doors we go,
We'll go with pride because we know
Within your walls the lessons gained,
Will help us all our goals attain.
When we return in later years,
From far and wide we'll gather here
And sing our praise for all to hear;
Bourne High, dear Bourne High.

SENIOR CLASS OFFICERS

(not pictured).

HISTORY OF THE CLASS OF '66

Looking back, we recall our years at Baurne High as having been not only eventful, but also different from those of preceding classes.

In September of 1962, we did not enter the high school as the underprivileged and overpowered "frash". Instead we remained in the junior high as the privileged and overpowering "frash" or, "upperclassmen", as we considered ourselves. Our first job was to elect class officers. We elected the following as our officers: Bill Sweeney, President; Bab Nael, Vice-President; Barbara Macaratti, Secretary; and Mary Tassinari, Treasurer. Together with the leadership of our officers and Mr. Clifford Wilbur, our class advisor, our first class project, a magazine drive, proved most successful. The funds raised were set aside for future activities.

In the fall of '63 we entered the high school as sophomores. In our first year as "underclassmen" we tended to lack confidence in ourselves. It seemed like an endless struggle to get through the crowds going from one class to another. Under the supervision of Mr. David Lahive, our class advisor, we elected class officers for the second time. Those elected to office were: Bill Sweeney, President; Jim Prete, Vice-President; Barbara Macaratti, Secretary; and Mary Tassinari, Treasurer.

As juniors in the year of '64 we proudly assumed the title of "upperclassmen". During this year our class was quite active. Under the new leadership of

Mr. Charles Caulter, class advisor, we again elected class officers. Chosen to lead our class were: Jeff Gavani, President; Betty Lambert, Vice-President; Pam Landis, Treasurer; and Judy Franklin, Secretary. Soon our class rings arrived. The excitement over our rings lasted for several weeks and our swollen fingers lasted about the same length of time! To raise money for our future activities, we sold refreshments at the town meeting. Suddenly we found that time was getting short, and we had to make plans for the Junior Prom. Committees were chosen and the theme "An Evening In Paris" was selected. Under the supervision of Barbara Macaratti, our chairman, we worked to make the prom a success. Betty Lambert was chosen Prom Queen.

With mixed emotions, we entered the familiar halls of Baurne High for our last year. With the aid of our class advisor, Mr. Sumner Allen, we elected our last set of class officers. They were: Jeff Spencer, President; Vicki Kellam, Vice-President; Barbara Hadley, Secretary; and Dana Brackman, Treasurer. This was truly the year of the "lasts". We were to witness our last pep rally, bon fire, assembly, and basketball, football, hockey, and baseball games, all of which brought us closer to Graduation day. The various senior celebrations held during the last few weeks of the school year seemed to complete the list of good memories; but we all realized that graduation was just a beginning and our book of memories was just begun.

UNDERCLASSES

THE JUNIOR CLASS

In the fall of '65 the Juniors had their first taste of being upperclassmen. With the amount of responsibility rising each year, we elected four capable class officers: Richard "Ro" Hadley as president; Robert Iwaszko as vice-president; Leanne Maiolini as treasurer; and Karen Kaltenbacher as secretary.

Under the direction of Mr. Putnam, the class adviser, our officers went right to work in planning several money-making activities to fill the depleted class treasury.

With our Prom as the main attraction, we looked forward to a successful year, and awaited our turn to be on top in '67.

THE SOPHOMORE CLASS

CLASS REPORT

The class of 1968, after a year of orientation, are now wise to high school ways. Early in November, although a little late, the Sophomore Class performed their first order of business; the election of class officers.

The officers elected were the following: Bruce Parker, president; James Gandolfi, vice-president; Holly Guild, secretary; Pam Brooks, treasurer.

With careful planning and with the co-operation of their fellow classmates, the class held a Valentines Dance.

With a gain in knowledge and a gain in the treasury, the class of '68 hopes to sponsor many more activities. The Sophomore Class is anxiously awaiting its two remaining years at B.H.S.

THE FRESHMAN CLASS

The Freshmen entered Bourne High School last September with the reputation of being the largest class in the school's history. The first class project was the traditional magazine drive, which proved to be very successful, giving the class the funds it will need throughout high school.

In October the election of officers was held, and when the ballots were counted, Doug Driscoll assumed the leadership of the class, Anne Christopoulos became vice-president, secretarial duties were given to Kathy Partridge, and Chris Power took over as class treasurer. This leaves the Freshmen looking forward to the day when another class will inherit the glorious nickname "Finky Freshmen".

ACTIVITIES

"Aw, where's your Christmas spirit?"

The CANAL CURRENTS staff was chosen last fall by Mr. Harry A. Read, the staff advisor, from among the more than seventy-five students who had volunteered. Those chosen were assigned to one of the individual sections of the yearbook, and were under the direction of the section editors who were: Faculty Editor Marie Hambalek; Senior Section Co-editors Helen Childs and Susan Washburn; Undergrad Editor Nancy Campbell; Activities Editor Diane Bessee;

NATIONAL HONOR SOCIETY

Under the direction of its faculty advisor, Mr. J. Paul Thibault, the James F. Peebles Chapter of the National Honor Society completed another successful year.

During the year, the objectives of the nineteen members were to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in the students at Bourne High School.

Another objective of its members was to raise funds for granting a scholarship to a worthy member. In addition to the many fund-raising projects, a tutoring service to any member of the student body who needed extra help was offered by members of the National Honor Society.

STUDENT COUNCIL

The Student Council, the representative body of Bourne High School, is under the direction of Mr. Richard Homan. Representatives from Bourne attend the meetings each Spring and Fall of the South-eastern Massachusetts Association of Student Councils.

The most important service provided by the Council, at least as far as the students were concerned, was the presentation of honor passes which allowed special privileges to deserving students.

CODE CLUB

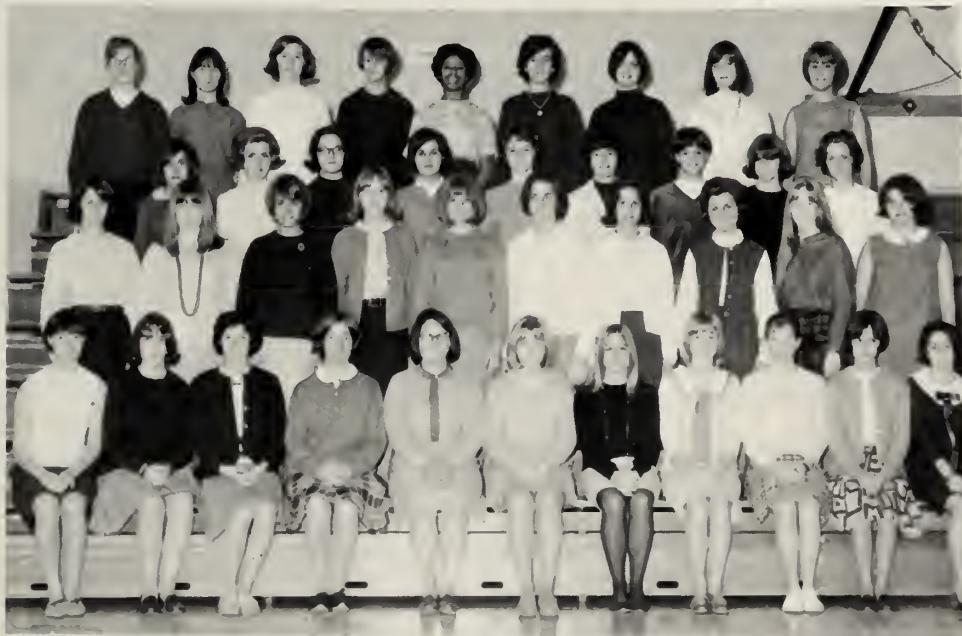

Code Club officers were nominated in the Spring of '65 and took office after school resumed in the Fall. The officers were: President, Barbara Macoratti; Vice-President, Margaret McCahill; Secretary, Carol Ziemer; and Treasurer, Susan Barnes.

Bourne hosted the annual Code Club Convention this year. Chapters from all over the Cape and from Wareham were represented. The convention was successful and enjoyed by all.

Code Club dances were sponsored at the school again this year. The girls also sold candy in the Spring to help build up their scholarship fund.

The Code Club is a "service" club sponsored by the Bourne Rotary Club.

FUTURE HOMEMAKERS OF AMERICA

The Future Homemakers of America, one of Bourne's most active organizations, is participating in a national four-year program entitled "Building Blocks for the Future". This past year, with other Massachusetts chapters, Bourne F.H.A.'ers worked with the theme "Moms and Mothers Matter", and had panel discussions and movies to stress this vital subject.

In addition to their weekly meetings in the home economics room, the girls sold hot dogs at football games to earn money for their Scholarship Fund and sponsored other activities throughout the year, always reaching "Toward New Horizons."

F.T.A. Seeks Professional Experience

The purposes of the Future Teachers of America are to acquaint its members with the many fields of teaching open to them and to provide information on schools which offer teacher training programs.

This year the Bourne FTA has developed an assistant teaching program in which FTA members may assist teachers at the James F. Peebles Grammar

School. Our chapter's activities have also included joint meetings with other FTA chapters, field trips to teachers' colleges and to schools for handicapped children, and the raising of money for an FTA scholarship to be presented at the end of the school year to a graduating member of the Bourne FTA.

ATHLETIC ASSOCIATION

Bourne High's Athletic Association, under the efficient direction of Mr. Leo G. Manning, plays an essential part in the smooth operation of our athletic events. The eight girls, representing all four grades, sell and collect tickets, pass out programs, and sell refreshment to the thirsty crowds. The girls, though, feel that the two annual trips the AA takes to Boston are reward enough for the work they do.

LATIN CLUB

This year's Latin Club, under the direction of Mr. James Brogioli, met twice a month to discuss, among other things, the pros and cons of the usefulness of that "dead" language, Latin. In an effort to obtain more opinions on this subject, the club members sent letters to one hundred fifty persons of prominence, including Pope Paul VI. They received replies to most of their inquiries and were surprised to find that most of the people favored the study of Latin and, for a variety of reasons, thought it a very useful subject.

Memberships Show Steady Growth

SCIENCE CLUB

The Science Club, sponsored by Mr. Merwin B. Sturgis, served two basic functions this year. First, through the club's biological studies, the members supplemented what they had learned from their science classes and, second, they gained practical experience in the use of laboratory instruments. Membership was quite small this year, but they have hopes for a larger group next year. The members feel that, with a larger group, they could greatly expand their areas of study.

Foreign Language Groups Encourage

LE CERCLE FRANCAIS

The French Club, with Mr. Kenneth Lagerstedt and Miss Gunta Austrums as its advisors, met periodically throughout the year to study the French language and culture. The officers elected at the club's first meeting in the fall — Eileen Walsh, President; Jane Dawson, Vice-president; Betty Lumbert, Secretary; Jeff Govoni, Treasurer — presided over the meetings. One of the highlights of the year was the French Club Christmas party, at which refreshments were served and entertainment was provided.

DER DEUTSCHE VEREIN

Bourne High's German Club, Der Deutsche Verein, is headed by Mr. Kenneth Lagerstedt. At their monthly meetings the members, led by president Robert Mellville, discuss German culture and customs and compare them with those of other countries. The highlight of the year, though, is the club's attendance at Tivoli Evening at Boston University, where the club members join German students from all over the state in a festive evening of dinner, dancing, and music.

SHAWME BAND

Dressed in the traditional colors of purple and white, the fifty-four members of the Shawme Band marched in football halftime performances. Besides generating enthusiasm and providing spirited music for the pep rallies, the band, under the able direction of Mr. Frazier, represented B.H.S. at Boston University for Band Day and at various parades in the Cape area. This year three flag-bearers, carrying the American, state, and Shawme Band flags were added to complete the formation of the band.

CHORUS

The chorus, directed by Mr. Frazier, music supervisor of the Bourne school system, has been expertly trained to produce at all times the outstanding musical quality expected by its audiences. The chorus has travelled to Boston for concerts, and is always well-represented in the music festivals of Massachusetts and New England. The chorus practices twice weekly, on Tuesdays and Fridays, but has extra practices for special events, such as the Christmas program and the Honor Society inductions.

Developing Varied

ART

With a dab of paint here and a dribble there, this year's art classes, under the able direction of Mr. Lyon, have learned to create and express their original ideas in many different media. Among the students' many projects has been the making of Christmas cards using vinyl blocks and printers' ink. Their enthusiasm and desire to create is evident in the finished products. In addition, the students have studied the works of the great masters and have learned to appreciate their great artistic heritage.

UNITED NATIONS CLUB

The United Nations Club, now in its second year at Bourne, is associated with the social studies department and is under the direction of Mr. Gary Kaser. Besides sending delegates to conferences and model U.N. meetings at other schools and colleges, the members participated in a scholarship program sponsored by the World Affairs Council of the U.N. The really big event of this year, though, was the club's Spring trip to New York to tour the United Nations.

DRAMA CLUB

This year's Drama Club has been concerned not only with the presentation of plays, but with plays themselves — their origin, purpose, style, and effectiveness under the direction of Mr. Stinson. The Drama Club learned about the composition, reading value, and different methods of presentations of a play. The Club's main project was the production of the Senior Play, which required long hours of hard work. Those involved in the production agreed, though, that the great success of the play made all their time and effort worthwhile.

GUIDANCE GIRLS

Easing the load of the regular guidance office staff this year were the Guidance Girls, who, in addition to doing many typing and filing jobs, ran errands for the counselors, helped take the daily attendance, and even helped out in the principal's office when his regular staff was short-handed. The girls willingly and uncomplainingly performed these seemingly endless tasks and greatly contributed to the efficiency of the guidance department.

"Hm! I know I saw Miss Rice put those test papers in here!"

STUDENT LIBRARIANS

The student librarians assist in the daily work and management of our school library. Under the supervision of Mrs. Mayhew, the girls check books in and out as well as dust the shelves and work with the card catalogue. They also register new books by putting on the appropriate covers, stamping the books and getting ready the necessary cards. All the girls enjoy working in the library and Mrs. Mayhew feels that they are very dependable and exceptionally willing to work and to learn.

OFFICE GIRLS

Devoting their lunch periods and study halls to the service of their school this year were Bourne's Office Girls. These girls, under the supervision of Mrs. Dvorski, answered the telephones, did typing and filing, and ran errands for the office staff. Their willing efforts were greatly appreciated by the office staff.

MAJORETTES

The ten Bourne High majorettes, under the direction of head majorette Betty Lambert, added color and sparkle to the halftime events during the football season. In addition to keeping up with the busy schedule of band rehearsals and pep rallies, the majorettes created new routines to supplement their repertoire. The girls had opportunities, too, to display their original routines and precision twirling in area parades commemorating various events and holidays.

SPORTS

"Score with Spirit and Sportsmanship" is the motto adopted by the cheerleaders this year. They encourage every student to carry this motto to every game—whether it be football, basketball, hockey, track, or baseball. Win or lose, the cheerleaders feel students should back their team with spirit and back their school with sportsmanship since it is the student body which represents the school and stirs our great team towards victory

CANALMEN '65

Bourne High opened this year's season with a victory over Somerset by a score of 13-12.

The Canalmen then journeyed to Guv Fuller Field to collaborate with the Falmouth Clippers, only to lose to Lawrence High with a score of 14-0. The following week however, the mighty Canalmen met Dartmouth on the home field for a staggering victory of 32-0.

The Burnsmen once again found themselves leaving their home on the hill for a game against Old Rochester Regional. Much to their disappointment, but not discouragement, the gridsters experienced their second loss of the '65 season.

Seven days later at Bourne's Jackson Memorial Field, Bourne overwhelmed Dennis-Yarmouth Regional High, 35-14.

Playing on home grounds once again, Cape Cod's football scoring leader Manny Britto added 26 more points to his mounting total as he carried four touchdowns and a 2-point conversion to lead Bourne to a 32-0 route over Tri-County Conference foe Barnstable.

In the seventh game of the season Bourne High made it three straight against Joseph Case High in a victory of 44-0. Manny's scoring in this game brought him to second in the state with a scoring total of 118, only 4 points from top scoring Mike Walsh of Hanover.

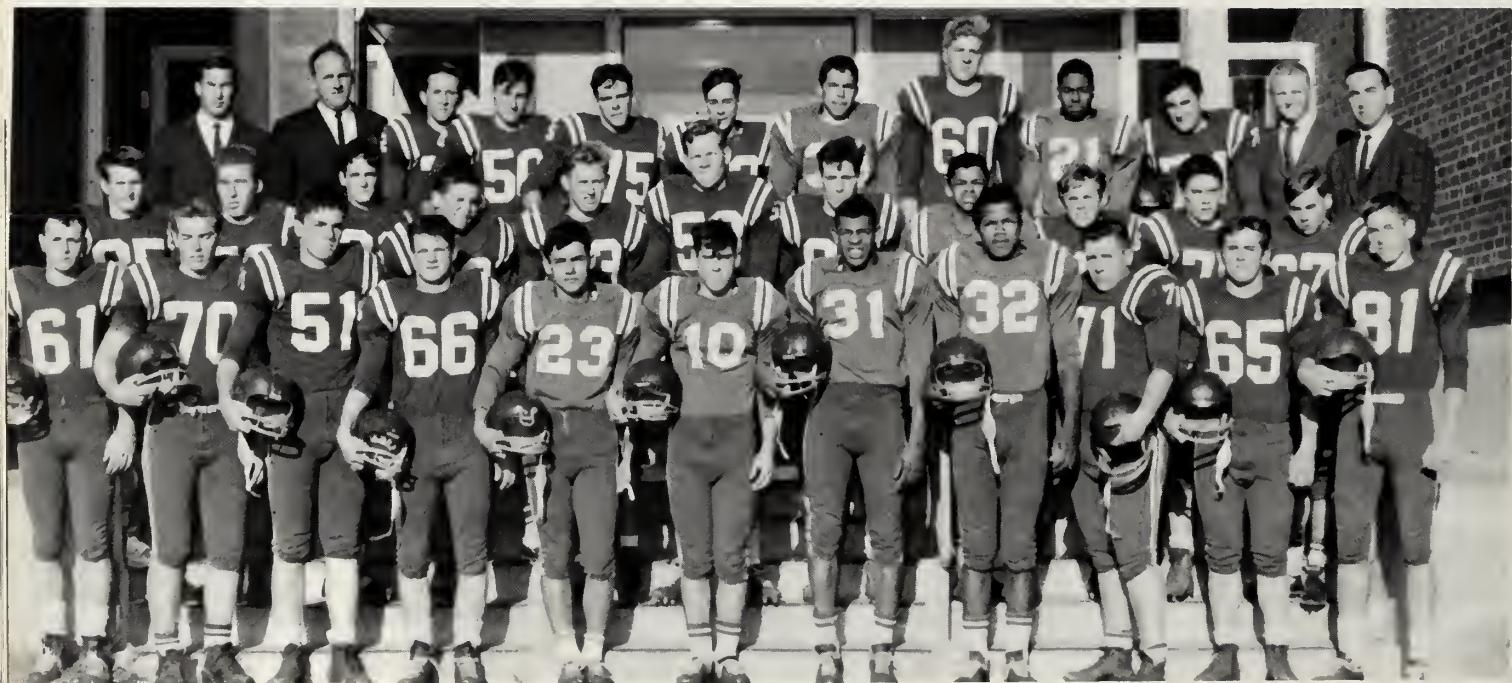

However, in the eighth game of the season Britto moved into top place as he scored three touchdowns in a Canalmen victory over Dighton-Rehoboth by a score of 18-6.

Vikings Eat Crow

Richard Riho provides blocking for another Monny Britto touchdown.

Gary pushes them aside for another touchdown.

The Canalmen, on November 25, Thanksgiving Day met their traditional rival Wareham. The Vikings of Wareham were creamed by Bourne 26-0. The exuberant Russ Burns told reporters he could not isolate any one member of his ball club as the prominent player. Yet, the illustrious Mr. Burns spoke of names such as Gould, Gardner, Gondolfi, and needless to say, Harding and Britto.

The Traditional game against Wareham was the second consecutive win for the Burnsmen and secured a concrete third place finish in the Tri-County Conference for the year 1965.

Monny and Gary lead the canalmen to Victory.

Canalmen Chosen For Outstanding Play

At the sports banquet this year, Bourne's football standout, Manny Britto, was awarded many trophies and honors as State football scoring champion and honorary captain of the Boston Herald All-Scholastic eleven. Manny also received awards for winning all-league honors and as outstanding back for the Bourne team.

Other players selected for the All-Cape football team were Gary Harding as half-back, Steve Czarnetzki as end, Alan Gardner as tackle, Richard Hadley as center, and Henry Gould as guard.

"Aw . . . Come on Coach!"

"Go . . . Go . . . Go . . . !"

Under the leadership of first year varsity coach Jim Brogioli, the varsity basketball team fought its way to third place with a 12-8 win-loss season. The bid for a chance to play in the Tech Tourney was halted as the squad was unable to attain the required win percentage of the total season games to qualify. In an attempt to regain the class C Bay State crown won the previous year, Bourne was eliminated in the first round as Dighton-Rehobeth proved the better ball club.

The '66 season got off to a slow start with

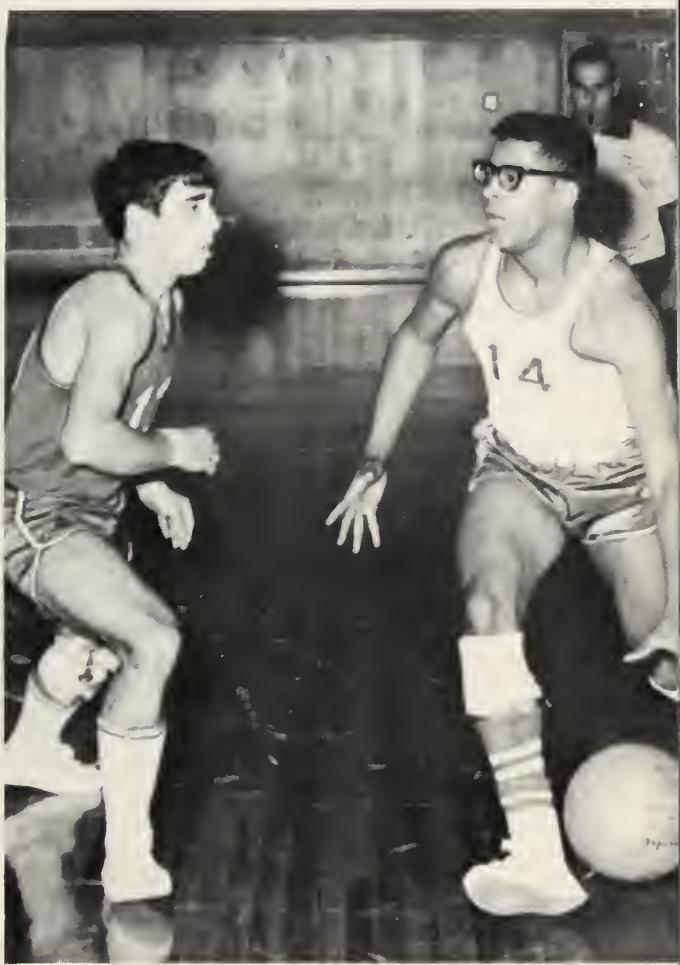

a loss to P-town, since the basketball season so closely followed the football season. But as the Canalmen began picking up, they won nerve-wrecking contests from Nauset and Falmouth. Later, when P-town visited Bourne High, the Canalmen avenged their previous loss.

At our home court, led by the rebounding and scoring of Manny Britto, our team upset Dennis-Yarmouth for our biggest win of the season. Going into the game Bourne was the Press' underdog to top ranked D-Y, but the Canalmen came through, cleaning house on virtually defenseless D-Y. Bourne's worst heartbreak of the season was a debatable loss at Nauset. This game was especially important because its outcome decided if Bourne or Nauset was going to battle in the Tech Tourney. The game rested on the Ref's shoulders and their decision was accepted with good grace and sportsmanship by the Bourne fans.

The outcome of the season rested heavily on the tri-captains Harding, Britto, and Prete.

Finishes With Winning Season

"Hey, Iwaszko, practice
ballet on your time, not
on the basketball court!"

"And did you hear the one about the...?"

"You're wasting your time, Fifty-Three!"

"Baurne gets it again."

Girls' Basketball

In the last four years the girls' basketball team has had four different coaches. This year's coach was Miss Jevdet for whom it was a first coaching experience. Although the Girls' Varsity did not win a game, it made every Score with Spirit and Sportsmanship.

"Watch where you're aiming that ball."

"I've got it!"

"Hoop it!"

"A seagull . . .?"

The up-coming JV team has displayed great potential throughout the season and is expected to relieve the traditional Bourne girls' basketball slump next year. Since practices are only a half an hour, three times a week, on a half court, the record for the JV team reveals the great possibilities for an undefeated team in two years.

"Maybe next year they'll let us on the court."

"Look, I'm flying!"

"Get out of my way, I'm coming through."

"I can't bear to see her miss it again."

Cooch Kochnowicz

Although the Hockey Team had a rather disappointing season, it was a season of many firsts that point toward improvement in the future. It was the first year under coach Frank Kochnowicz and his youth and enthusiasm was imparted to the team as a whole, especially the freshman. An indication of the growing interest in hockey was evident by the large number of candidates that turned out for the first practice at the new Falmouth rink. This was a season for rebuilding and many freshmen and sophomores gained needed experience in the extended practice schedule and their own J. V. games. All this points to improvement in the future and an increase in interest in hockey at Bourne.

On the plus side of the ledger was the great job Bill Sweeney did in the nets all year for the Canalmen. At season's end he was selected All Cape goalie by the league coaches. Other Seniors contributing to the season were Captain, Deane Anderson, forwards, Jeff Govoni and Bob Handy, and defencemen Dave Daniels, Ken Douglas and Steve Berry.

CHEERLEADERS

Everyday after school one can hear deep-throated shouts of Bourne's cheerleaders—the best in southeast Massachusetts,—practicing. Our cheerleaders are relied upon to plan and run every pep rally, to hang up posters before each game, and to provide the enthusiasm for the support of the teams. Sue Barnes and Diane Gagner, co-captains, under the direction of Mrs. Sullivan, are responsible for the proper executing of the difficult cheers which are noted for their originality and intricacy. The military, drill-like manner in which the girls perform the cheers has been remarked upon by many in other schools. Every JV member has a chance to substitute in a Varsity game, so that next year's cheerleaders will continue to give the fine performances of past years because of the experience gained from this year. Bourne is very proud of its cheerleaders and has every right to be, for they add Spirit and Sportsmanship to every score the team makes.

"Stay away! I didn't mean to mess up the cheer."

A Special Dedication

MISS JANE VIOLA PRATT

The Senior Class of nineteen hundred sixty-six, would like to honor the memory of Jane Viola Pratt by dedicating our efforts in this annual yearbook to her. Jane, a member of the 1966 graduating class, was a person so full of life that each member of the class felt the full tragedy of her sudden death on March 6, 1965. Still, many students feel that she is graduating with us—in our hearts.
